General E. Jauda, with headquarters at Prague. This corps contains units of specialized weapons under the command of Generals Pribyls and Novak. The training schools at Prague are located at Dejvice and Vrsovice in the Prague suburbs. 2. New Sowiet demands have brought directives for the movement of the remainder of tills corps. The uncertainty caused by this was particularly visible from 29 Getaber 1952 on, when the new contingent of conscripts began to assemble. They were kept at Prague until 1 November 1952, when they were sent to garrisons outside Prague. 3. On the insistence of Defense Minister Alexej Jepička the garrisons of Kolfo, Pribardy and Chaler were brought up to full strength. This caused a great dea of discontent case, the conscripts, who were drawn chiefly from students and were not prepared to serve in the infantry. DO NOT CIRCULATE 1.
